

OAKMONT TENNIS CLUB

GUEST POLICY

The Oakmont **GUEST FEE** is \$10 per play. Each member is allowed to bring an individual guest for three visits. The first visit is free. A member may bring as many guests to the club as he/she wishes during the tennis season. Under no circumstances, however, may a guest or non-member play at Oakmont more than three times per tennis season, either as a guest of one sponsoring member or as the guest of various sponsoring members. A maximum of three guests per sponsoring member are permitted to use the court facilities concurrently, but all these guests must play on the same court with their sponsoring member. At no time may a guest occupy a court if his/her sponsoring member is not also playing on the same court.

If a guest decides to join the club, a \$100 referral fee will be paid to the referring member. This applies to members in the Adult, Husband & Wife or Family membership categories only. The referring member may also choose to add his reimbursement as a credit to the new member's cost of membership. When a guest purchases an Oakmont Tennis Club membership, the "New Member Rate" will apply. This also pertains to former members who return, but were not members in any of the two previous seasons. Membership applications and rates can be found on the Oakmont Tennis Club's website – www.OakmontTennis.com.

Before play, members must enter their name, and their guest's name, in the sign-in book located on the table inside the clubhouse.

Envelopes are located near the sign-in book. Write your name and the guest's name on the envelope. Place the fee in the envelope and seal. Put the envelope in the black colored lock box located on the deck railing.
