

Oakmont Tennis Club

MISSION STATEMENT

Oakmont Tennis Club is a family friendly club. We are dedicated to providing and maintaining quality “red clay” courts and a tennis-oriented facility for the members and the community that we service.

The club’s goals are:

To promote the growth, prosperity and development of Oakmont Tennis Club in order to achieve the maximum potential of both the facility and the tennis community.

To create an atmosphere where tennis players of all skill levels can meet other people and make new friends as well as find tennis players of a similar level to play with at the club.

To maintain our red clay courts and promote the health benefits of playing tennis on our unique soft surface.

To provide a range of activities such as coaching, training, social tennis, competition tennis, tournament and social activities so people can come to learn and improve on their tennis skills as well as participate in social events which Oakmont may be holding.

To manage Oakmont Tennis Club on a non-profit basis, in such a way that all revenues received will be for the benefit and perpetuation of Oakmont Tennis Club.

To establish a strong and vibrant Junior Development Program.

To encourage community-oriented activities and school partnerships.

To operate Oakmont Tennis Club in a manner which will keep membership fees at a reasonable rate for the membership.
